## **5. General Provisions**

### **5.1 Policy Owners' Protection Scheme**

This Policy is protected under the Policy Owners' Protection Scheme and is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your Policy is automatic and no further action is required from You. For more information on the types of benefits that are covered under the scheme, as well as the limits of coverage, where applicable, please contact your insurer or visit the LIA or SDIC websites ([www.lia.org.sg](http://www.lia.org.sg) or [www.sdic.org.sg](http://www.sdic.org.sg)).

### **5.2 Governing law**

Your Policy is governed under Singapore law and parties to this Policy hereby submit to the jurisdiction of the courts of Singapore.

### **5.3 Rights of Third Parties**

The Contracts (Rights of Third Parties) Act (Cap. 53B) and any subsequent changes or replacement of its provisions shall not apply to the Policy, and a person who is not a party to the Policy shall have no right under that Act to enforce any of its terms.

5.4 This policy is underwritten by Etiqa Insurance Pte. Ltd. (Company Reg. No. 201331905K). As buying a life insurance policy is a long-term commitment, early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. You are recommended to read the Product Summary, Policy Illustration and policy document for the exact terms and conditions, specific details and exclusions applicable to this insurance product. You should seek advice from a qualified financial adviser who will be able to advise you on a suitable product. Otherwise, you may end up buying a plan that does not meet your expectations or needs. As a result, you may not be able to afford the premiums or get the insurance protection you want. In the event that you choose not to seek advice from a financial adviser, you should consider whether the policy is suitable for you and meets your needs in light of your objectives, financial situation and particular needs.
